Terri and David,

Dimock resident Craig Sautner said he spoke to Rich Fetzer this morning regarding water deliveries that Mr. Fetzer told the family they would be receiving during a phone call on Friday. Today, Mr. Fetzer told them no water will be delivered to Dimock and said he could not offer an explanation.

I have three questions:

Did Mr. Fetzer call the Sautners, Trish Taylor call the [Ex. 6 - Personal Privacy] and Vance Evans call [Ex. 6 - Personal Privacy] yesterday to tell them that water would be delivered?

Did Mr. Fetzer tell the Sautners today that water will not be delivered?

Was David Bofinger of Kemron Environmental Services contacted by the EPA to deliver water to Dimock residents?

Thank you in advance for your help.
